1. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The references cited on the PTO-892 teach other types of threaded valves.
2. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach a valve with the specific structure of a female threaded ring shaped frame mounted on a gas containing structure, a valved male threaded round body member screwed inside the frame, with the round member further including an interior valve space with two through holes for gas passage and an energized or biased valve cover closing one of the through holes, with the outer surface of the round body further including a recess having a rotating cover with a hole that is rotated to align with a through hole of the interior valve space.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to J. Casimer Jacyna whose telephone number is 571-272-4889. The examiner can normally be reached on Wed. thru Fri. 9AM-7PM, Mon. 7AM-1PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Justine Yu can be reached on 703-272-4835. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
